FireBird® Pro Gold Edition

FireBird® Pro Gold Edition – The new battery powered blind rivet nut setting tool - for blind rivet nuts up to M12 steel!

FireBird® Pro Gold Edition
With slide-on, rechargeable 18.0 V/2.1 Ah battery pack and charger* in plastic carrying case

Part no. 145 0841

FireBird® Pro Gold Edition
With two slide-on, rechargeable 18.0 V/2.1 Ah battery pack and charger* in plastic carrying case

Part no. 152 4713

* Supplied with Euro plug as standard (other versions on request)

Fast and even more powerful

The FireBird® Pro Gold Edition enhances the Pro series. The setting force of 20,000 N and the well-proven brushless motor make the FireBird® Pro Gold Edition both fast and even more powerful. The FireBird® Pro Gold Edition sets blind rivet nuts of up to M 12 steel. The FireBird® Pro Gold Edition is controlled solely by the setting force adjustment. The thread of the blind rivet nut is therefore optimally protected while ensuring the blind rivet nut is securely anchored in the material.

High performance

18.0 Volt rechargeable energy for flexible, cable-free use on building sites and industrial production

Safety first

- Drill-on of the blind rivet nut with reduced torque and automatic switch-off
- Triggering the setting process clearly separated from the drill-on action
- Automatic drill-out function after the end of the setting process
- Drill-off with high torque
- Sturdy, compact and shockproof tool housing

Even faster, virtually no wear

Since no wear-prone brushes are used, the motor of the FireBird® Pro has an extremely long service life, is virtually non-wearing and and reliably guarantees the fastest setting frequencies.

Ergonomics

- Fatigue-free working through well balanced weight repartition and ergonomic grip
- Easy setting force adjustment

The fast one

- Simple and safe drilling of the blind rivet nuts
- Constant setting speed
- Automatic switchover from setting to drilling
- Fast and simple change system for threaded mandrels
